8. University of Oviedo	<a href="#">Oviedo, Spain</a>
9. University of Rouen	<a href="#">Rouen, France</a>
10. University of Skövde	<a href="#">Skövde, Sweden</a>

### What is INGENIUM?

INGENIUM is a European University Alliance comprising ten universities spread across the territory of the EU. Through the INGENIUM programme, students are given the opportunity to partake in an Erasmus exchange with any of the alliance members (provided that they offer modules relevant to your course).

For more information on what INGENIUM institutions you may be eligible to attend as part of your Erasmus exchange, please navigate to the information about each member via the links in the left column of the above table. Please note, approval for Erasmus participation is subject to your Erasmus coordinator's approval.

For more information on the Junior and Senior school opportunities available through the INGENIUM programme, please visit the MTU INGENIUM website: <https://www.mtu.ie/ingenium/>

Università degli studi  
"G. d'Annunzio"

Institution's Website: <https://en.unich.it/>

Eligible Programmes (by faculty):

"Gheorghe Asachi" Technical University of Iasi
