Language Requirements

All Incoming Erasmus students are required to have a level of English language proficiency which will enable them to understand lectures, participate in classes fully, seminars and to sit examinations in the language. Ideally, students should have level B2 on the CEF scale, but at a very minimum level, B1. www.coe.int/lang-CEF

Results/Transcripts

All MTU students have been issued a personal digital wallet containing their academic transcript(s) known as the grademailer. Students can share official transcripts via the Parchment (Digitary) system to Home University Academic Coordinators in the case of exchange students, with potential employers for graduating students, and with other educational institutions for students applying to progress to higher education either now or in the future.

Please note, **MTU International Office no longer receives copies of student transcripts, therefore we will no longer be emailing Erasmus or exchange student transcripts** as has been the process in the past. The Parchment/Digitary System allows your students to share their official documents with you directly. Please contact transcriptscork@mtu.ie for more information regarding your parchment.

Practical Information...

Accommodation

Munster Technological University **does not have its own campus accommodation**. The Accommodation Office assists students in finding a suitable place to live. The service provides information and guidance to students on the accommodation most appropriate to their needs. While every effort is made to facilitate students seeking accommodation, the University is not involved in any agreement/contracts entered into between students and landlords.

Please go to <https://www.mtu.ie/student-services/accommodation/> to see of the available housing in Cork & Kerry

Learning Support Services

Any support service required should be advised well in advance and information should be mentioned in application form and sent to ErasmusCork@mtu.ie or ErasmusKerry@mtu.ie

Students should e-mail the service in charge as soon as the nomination is confirmed by MTU:

Cork: dssCork@mtu.ie **Kerry:** dssKerry@mtu.ie

Study VISA

Students are responsible for arranging your own visas. Visa decisions can take several weeks and even months, so it is important to allow plenty of time for this when planning for your arrival for the start of your course at MTU.

For complete details of visa requirements, processes and documents required, please visit the Irish Naturalisation & Immigration Service website: www.irishimmigration.ie

The MTU International Office can only provide guidance. It is up to the students to seek the correct information for your own particular situation.

Societies & Sports

Education means more than just academic learning. Joining a MTU Society will give you the opportunity to enhance your skills in organising events, activities and managing finance. Grab the opportunity to experience something new or pursue an interest you have always wanted to explore. It's also a fantastic way to make new friends and experience the social culture of MTU. Check out our list of award winning societies: <https://societies.mtu.ie/>

MTU Sport offers a wide range of sports clubs which cater for both competitive and recreational sport. At MTU we promote a policy of 'Sport for All' and our sports facilities are available to all students, from casual participants looking for fitness and fun to elite competitors aiming for national and international success.

With over 37 clubs each in both Cork and Kerry campuses, excellent facilities and an extensive programme of physical activity and fitness classes, there is something for everyone. Check out our list of clubs: <https://clubs.mtu.ie/>
